Mint Boxed Collection, Dinky models.

Available in scales 1:76 and 1:87

After the launch of our Coffret Cadeau models, we're launching another Dinky based collection. The Mint Boxed Collection is a new feature with a modelcar on top of a dinky box which is commonly used to show Dinky models. The Mint Boxed Collection models will be available in a normal and a reversed version, so that they can be showed together as a set. The model and box are printed in one piece. In the future, more modelcars will be available in this collection. Stay tuned for these future models!
