Paris, January 3rd 2012

Dear Fellow CITROËN Enthusiast,

The historic Archives service of the CITROËN Conservatoire is proud and pleased to be able to send to you our catalogue of documentation products and services.

We are working all the time to preserve, classify, organise and make available the historic records of our Brand.

We are endeavouring as well to respond to your requests for more information. In addition, we would like to keep you informed about the different services that we have put together to meet your needs.

Here are the different products which we have available:

- The document compilations of our new collection by model and theme, which has been enriched
- The services related to the identification of CITROËN vehicles
- Our new prestige product, the "Coffret Légende"

We are here to help you, so feel free to contact us for more information.

Yours Sincerely
Catherine JEANNIN
Documents and Archives

DOCUMENTARY RESEARCH CITROËN document files

> Historical documents or information

- On CITROËN models to restore them
- On the main themes of the CITROËN brand by historical interest.

> Important documentary work

- By gathering them together from archives
- By selection
- By scanning into page format

> Genuine documents from the archives

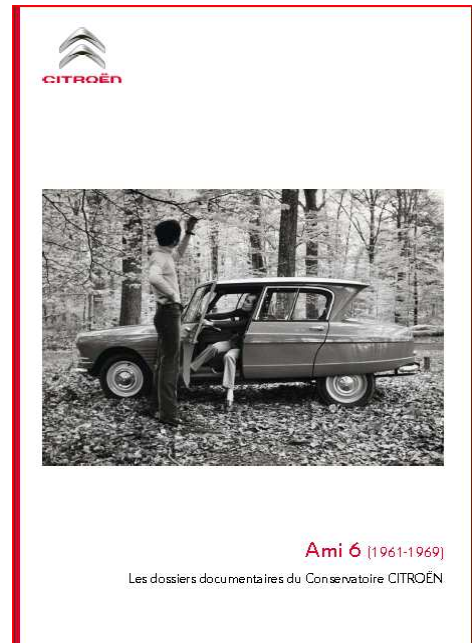

- Copies of sales brochures, price lists and advertisements
- Notices of « PV des Mines » (Document stating that the vehicle conforms to national regulation), owner's manuals
- Articles from internal CITROËN periodicals.

> A beautiful folder printed in color

- With over 100 pages
- From 30 euros

> A collection by subject which has been enriched

- Currently, the collection of CITROËN vehicles include models from CITROËN Type A to the CITROËN 2 CV and CITROËN Ami 6
- The subject files cover the CITROËN Autochenille, the Croisière Jaune, the factories of Javel and of Levallois
- Each year, new titles are released.

> Need of a certificate of conformity

You need a certificate of conformity for your CITROËN vehicle that predates 1991 for reasons such as :

- Getting rid of omissions indicated on the registration documents
- Correcting errors on the registration documents such as vehicle type, fuel, weight, etc
- Exporting your historic vehicle overseas if made before the European conformity (before 1996)

This administrative document reproduces the data on the standard description notice for the model from the Mines, without reference to the vehicle serial number

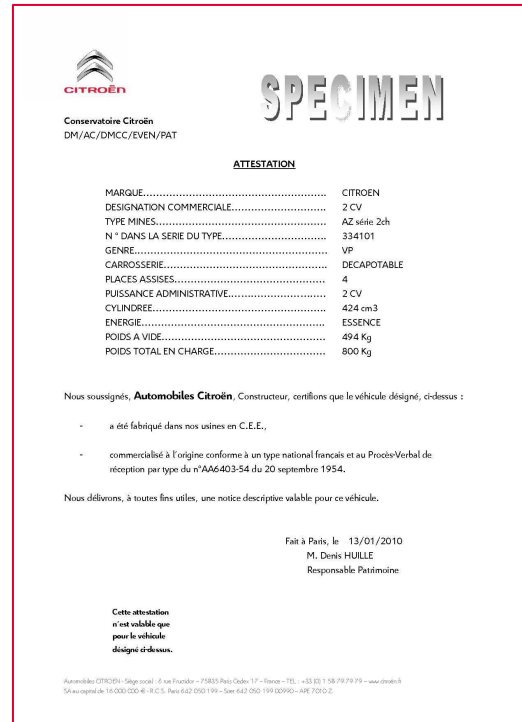

> Documents to provide :

- A copy of the registration document and all administrative documents that prove the existence and ownership of the vehicle
- The copy of a roadworthy certificate if necessary

The payment of 30 Euros per vehicle for the costs incurred to be paid by French bank cheque or wired transfer in favour of "Automobiles CITROËN"

> You will receive :

- An official certificate from the Manufacturer which contains the data from the descriptive notice from the Mines
- A copy of the above

The certification of the date of the manufacture of an older car

> Identifying your vehicle collection CITROËN

You need to know more about the identify of your CITROËN vehicle made before 1991 for reasons such as :

- Verification of the various identity marks and features of your vehicle (chassis, body, coachwork, motor), the original body, the number of seats
- To correct errors between the identity plates and the registration documents
- To find the exact date of sale for administration purposes or for historic record
- To obtain a historic vehicle registration

This research is done on a case by case basis from the numbers that give us.
